ALLSHEEN

VINYL, PLASTIC & RUBBER RESTORER

Allsheen is specifically formulated for the treatment of both interior and exterior vinyl, rubber and plastic trim. It contains a complex blend of silicone emulsions and surfactants to clean, rejuvenate and protect.

Allsheen is ideal for Car and Truck Dealerships, Rentals, and Auctions where the professional detailer needs to rapidly restore vehicles to a pristine fashion while imparting a pleasant fragrance.

Allsheen leaves the surface with a natural, non-tacky sheen finish. It can be used to gloss tyres where a non-flammable product is preferred.

Allsheen cleans, shines and protects in one easy application.
