STYLE MAGIC

WATERLESS CAR WASH AND PROTECTANT

Style Magic is uniquely formulated as a Waterless Wash which can be used for cars, trucks, boats and motorbikes. It can be used for all interior and exterior surfaces and only requires a simple spray and wipe method to remove light to moderate soils.

Style Magic on contact will lift, emulsify and encapsulate the soil in a highly effective lubricant. This lubricant suspends the soil away from the surface. All that is left to do is wipe off with a damp synthetic chamois. The surface is left clean and clear with an imperceptible anti-static protectant.

Style Magic will not scratch surfaces that have light to moderate soiling due to the soil being suspended in the lubricant.

BENEFITS:

- No water required to wash or rinse vehicles. Continue to operate at Stage 4 Water restrictions.
- No scratching. Soil is suspended in highly effective lubricant and wiped away
- Takes less time than conventional washing and drying of vehicles.
- All natural ingredients, pH neutral, no solvents, non toxic and biodegradable
- Anti-static protectant resists dust and screens UV.
- Safe on paintwork, glass, plastic, rubber, aluminium, chrome, leather, wood, fibreglass
- Spray and wipe to remove Brake Dust
- Saves trade waste output.
- Economical to use.
- Available in 20L and 200L drums.

PRODUCT CHARACTERISTICS:

Thin blue liquid with no odour.

DIRECTIONS FOR USE:

- Use as Received
- Lightly spray directly on to the surface to be cleaned a panel at a time.
- Almost immediately wipe off with a clean damp CHAMAX Synthetic Perforated chamois
- Rinse chamois regularly and wring all water out before moving to the next panel.
- For a superior, silky smooth result use AUTO KLENE'S FINAL TOUCH SPRAY POLISH with a clean dry Microfibre cloth

HANDLING PRECAUTIONS

Safety Advice: Not classified as dangerous

Simply wash splashes from skin with water. For splashes to eyes flush thoroughly with water.

Non flammable

Please consult Material Safety Data Sheet.
