

PRODUCT BULLETIN

T2000

ALL SURFACE GENERAL PURPOSE CLEANER

T2000 is a highly effective **non-caustic** cleaner/degreaser for any interior or exterior surface. It is a concentrated product that can be used on anywhere to remove dust, dirt and grease.

T2000 has a citrus fragrance that freshens the interior of your vehicle as it cleans. Simply spray and wipe for a streak free result on vinyl, rubber, leather, metal, wood and plastics.

T2000 is ideal for those difficult areas like door jams, foot wells and under bonnet and boot lids where water rinsing is not practical. Its grease dissolving properties are enhanced by a blend of surfactants and natural citrus solvents - It is simple to use and cuts down cleaning time.

T2000 can be used to remove other stubborn stains like exhaust and dead insects. It is great as a non-acid wheel cleaner too.

T2000 can be used around the home and workshop for just about any cleaning you can think of. Dilute the product according to the degree of soil to be removed.

BENEFITS:

- Can be used on any surface - even fabrics.
- Non-caustic - safe for the operator and will not harm any materials.
- Fresh long lasting fragrance.
- Can be used at any concentration depending on soils to be removed
- No rinsing required if used diluted as a spray on and wipe of cleaner.
- Effective bug remover.
- Ideal as a taut liner cleaner. Will not dull decals.
- Will not streak Aluminium if rinsed properly.
- Very economical to use.
- Available in 5lt, 20lt and 200lt drums. Bulk deliveries can be arranged.

PRODUCT CHARACTERISTICS:

Slightly viscous yellow liquid clear liquid with fresh citrus fragrance.

T2000 is water soluble at any use rate. pH of 1% solution typically: 9.0

DIRECTIONS FOR USE:

- Generally used at a concentration from neat to 1:10 with water
- Spray solution onto the surface and wipe off with a clean cloth.
- For bugs, spray on and gently scrub with a bug sponge. Rinse off with pressure washer.

HANDLING PRECAUTIONS:

Non-hazardous.

Please consult Material Safety Data Sheet.
