TRISOL

SOLVENT WIPE FOR BUGS, TAR, WAXES & GREASE

TRISOL is designed to remove a wide range of solvent dissolvable soils from paintwork, plastics and upholstery without leaving a residue.

TRISOL's unique formulation allows rapid removal of wax, tar and grease from vehicle bodywork. It is also ideal for spotting carpets and upholstery, and wiping dead bugs from bonnets, bumpers and glass.

TRISOL is a very effective dewaxer where a transit coating has been used.
