WHEEL WIZARD

BRAKE DUST REMOVER

WHEEL WIZARD is a water based organic acid cleaner specifically designed for removing brake dust build-up and other soils from all types of wheels and aluminium components. It is widely used for vehicles where brake dust is highly prominent.

WHEEL WIZARD does not contain dangerous Hydrofluoric Acids and is far safer for the operator and better for the environment generally.

WHEEL WIZARD's content of acid renders the product safer to use and relies more on the concentration and complexity of the detergent system.

BENEFITS:

- Safer than conventional wheel cleaners
- Very cost effective
- Effectively removes heavy build up of soils and brake dust.
- Dissolves readily in water.
- Safe on aluminium, steel, glass and good quality paints and lacquers if used as recommended.
- Contains no phosphates, silicates, or heavy metal salts.
- Surfactants are biodegradable.
- Very pleasant fragrance for user friendliness

PRODUCT CHARACTERISTICS:

Clear, green coloured liquid with distinctive citrus fragrance

DIRECTIONS FOR USE:

- Dilute cleaner with up to 4 parts water for routine cleaning.
- Use brush, mop or spray to apply.
- Allow to dwell for about two minutes.
- Rinse with high pressure or brush while water rinsing.
- For cleaning heavily soiled areas, a concentration of 1 part WHEEL WIZARD with 2 parts water may be required.

HANDLING PRECAUTIONS:

Avoid contact with skin and eyes - can cause irritation.

Do not take internally

As a precaution use a face shield or goggles, rubber gloves and other protective clothing as required.

In case of accidental contact, flood with water. If eye irritation persists, seek medical attention.

For further information, please refer to the appropriate Material Safety Data Sheet.
